VILLAGE IDIOT SCANLATIONS

Hello everyone! It's that time again, Viscans is now recruiting (mainly translators)! That means if you are fluent in a language we need (and at least conversationally fluent in English) Japanese, Chinese, or Korean, or are EXTREMELY proficient in the use of the English language (we're only recruiting the best of the best of the best Proofs), or you're good with photoshop (Cleaning/Redrawing), apply now! We are starting up some new projects, and can always use more help to speed up the releases of our current projects. You can find directions at vi-scans.com/about/ And even if you don't apply, drop by #viscans on Irchigh-way and chat with us! We're a fun group of people who love to talk about anything, so drop by and start up a conversation!

For the best quality and viewing experience, we recommend Batoto.com

Our Hosting Policy:

1. Do not alter or remove pages from this release, that includes adding watermarks or footers.
2. We have a 2 day waiting period for hosting our releases with 2 exceptions: MangaFox.com has a 7 day waiting period (they know why) and Batoto.com does not have any type of waiting period (they serve as our official online reader).
